

Mr. Fazlur Rashid

P.O. Box 2

DHAKA 1213

Bangladesh

Date 05 July 2021

Dear Mr. Fazlur Rashid,

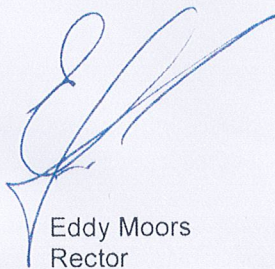

On behalf of the Rectorate of IHE Delft, we would like to send you our wholehearted congratulations on your recent appointment as Director General of the Bangladesh Water Development Board (BWDB). We know that achieving this position will have required a great deal of hard work and commitment on your part.

We understand that you followed the MEng programme in Hydroinformatics at IHE Delft in 1997/1998.

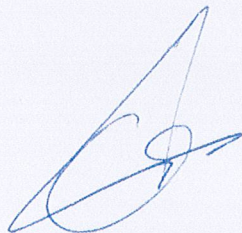

It is gratifying to hear of such success on the part of an alumnus of IHE Delft and we are proud that you are part of our alumni community.

We hope that there is a possibility of continued and hopefully increased collaboration with Bangladesh in years to come. If we can be of any additional assistance to the Bangladesh Water Development Board in addressing the water challenges your country faces, especially in light of the Coronavirus crisis, please do not hesitate to contact us.

Yours sincerely,

Eddy Moors
Rector

Charlotte de Fraiture
Vice Rector

Johan van Dijk
Business Director
